Keep Up to Speed on Latest Case Law Developments with ABIWorld's Collier, West Updates

There is an easy way to stay on top of the many bankruptcy opinions issued every week that affect your practice or business. Courtesy of Collier and LexisNexis, ABIWorld posts a link to the Collier Case Update every week under the "Publications" tab. The Update provides a brief summary of the holding, the facts and procedural history and the reasoning of recent bankruptcy opinions.

Divided into pre-BAPCPA and post-BAPCPA sections, the Update is further organized by the applicable Bankruptcy Code section or Bankruptcy Rule number, and each summary indicates whether the underlying case was a consumer or commercial case. Further, there is an index organizing the summarized cases by circuit.

In addition, courtesy of West, ABIWorld posts a link under the Publications tab each week to the West Bankruptcy Newsletter. Articles analyzing important bankruptcy topics and recent decisions appear in each weekly edition.

Two easy clicks once a week will ensure that you are in the know on the most recent bankruptcy law developments. Further, to receive a summary of the Collier Consumer Cases each week by e-mail, please join ABI's Consumer Bankruptcy Committee at http://committees.abiworld.org/consumer. ■
